Lunes 21 de Marzo de 2016

La operativa comercial se mostró poco ágil, aunque dadas las características particulares de la semana "santa" o "de turismo" las ventas superaron las expectativas de algunos operadores.

En este marco, descendieron las cotizaciones de espinaca, lechuga, perejil, remolacha, berenjena, chaucha, pepino, tomate perita, zapallito, calabacín, durazno, manzanas y mandarina Satsuma.

Por otra parte, aumentaron los valores de referencia de nabo, morrón verde, ciruela, melón, uva y naranjas importadas.

Se verificó el ingreso de las primeras partidas de membrillo con calidad comercial adecuada, así como de ajo "elefante", también llamado ajo "macho" a valores de 6 y 7 \$ la cabeza para 7 y 9 cm de diámetro respectivamente.
