## Jueves 28 de enero de 2016

La operativa comercial transcurrió en forma en general poco ágil, aunque se mantiene el escenario de gran afluencia de compradores e importantes ingresos de mercadería.

Se incrementaron los precios de tomate, espinaca, algunas partidas de banana importadas de Brasil y Ecuador, duraznos de calibre extra grande y de calidad destacada, repollo colorado y rúcula.

Por su parte, bajaron las cotizaciones de manzana Gala, zapallito, calabacín, melón, puerro y morrón amarillo.
