Lunes 7 de Marzo de 2016

Continúa verificándose una operativa comercial relativamente ágil, aunque las precipitaciones verificadas el fin de semana frenaron la colocación a nivel minorista.

Se observaron variaciones al alza en los precios de tomate, melón, morrón rojo y verde, choclo, espinaca, nabo, perejil, remolacha, repollo y ciruela.

Por su parte descendieron los valores de pepino, zapallito, pera Williams, mandarina y en forma leve los de naranja.

Desde hace unos días se ha verificado el ingreso de las primeras partidas de membrillo, las cuales aún no muestran óptimas condiciones de madurez.
